

FINANCE MAJOR (FNC)

The Finance major is a unique program that provides the student with a firm foundation in the principles of finance and its major areas: financial management, investments, and financial markets. The coursework is designed to lead to professional certification in financial analysis. Students have job opportunities in a variety of positions with mutual funds, brokerage firms, banks, and insurance companies, as well as positions in corporate finance.

The program provides students with the depth and breadth of knowledge necessary to prepare them for Level I of the Chartered Financial Analysts (CFA) Exam. The rigorous curriculum, including courses in finance, accounting, and economics, is based on the CFA Body of Knowledge developed through surveys of professionals involved in the practice of investment management. Students will be encouraged to take Level I of the CFA exam after graduation.

For the B.S. degree in Finance, 120 credits are required. A student enrolled in this major must earn at least a grade of C in each 300- and 400-level course.

FINANCE MINOR

Students must take FIN 301 and FIN 420 and select additional courses from 300- or 400-level FIN courses or ACCTG 426 for a total of 18 credits, in consultation with their adviser. A grade of C or better is required for all courses in the minor.

The Academic and Career Planning Center (ACPC) assists students with the process of career and life planning through a full range of programs and services. You may schedule appointments with the ACPC staff to discuss issues including interests, skills, values, and goal setting, as well as how to find career information, internships, full-time jobs, and graduate schools. You are encouraged to utilize the services of the ACPC every year from your first semester to graduation.

CAREER OPPORTUNITIES

Students have job opportunities in a variety of positions with mutual funds, brokerage firms, banks, and insurance companies, as well as positions in corporate finance.

Employer

Bechtel Plant Machines Inc.
 Deloitte & Touche
 Erie Insurance

- An asterisk (*) indicates an entrance to major requirement.
- **Bold type** indicates courses requiring a quality grade of C or better.
- *Italics* indicates courses that satisfy both major and General Education requirements.
- ***Bold Italics*** indicates courses requiring a quality grade of C or better and that satisfy both major and General Education requirements.
- GWS, GHA, GQ, GN, GA, GH, and GS are codes used to identify General Education requirements.
- US, IL, and US;IL are codes used to designate courses that satisfy University United States/International Cultures requirements. Students must complete 3 credits in US and 3 credits in IL. If a student takes a 3 credit course that is both US and IL, to complete the requirement, he/she must take another 3-credit course that is US, IL, or both US and IL. Education abroad courses and other credit-bearing experiences such as internships that meet this requirement, will be designated US, IL or both US and IL.
- W is the code used to designate courses that satisfy University Writing-Across-the-Curriculum requirements.
- At least 50% of all business credit hours required for the degree must be completed at Penn State Erie. Students may transfer a maximum of six (6) credits of 300-or 400-level business coursework from another academic institution.
- Students who have not met the admission requirement of two units of a high school foreign language must complete a college level-one foreign language within their first 60 credits. This is a pre-admission requirement – credits will not count toward degree requirements.

Scheduling patterns for courses not taught each semester:

NOTE FOR NON-BUSINESS AND BUSINESS MINORS:

It is relatively easy to earn a minor through proper selection of Additional and Supporting courses.

Other non-business courses may be approved by faculty advisors.

¹ Education Abroad coursework in business areas must be applied to Prescribed, Additional, or Supporting Course Requirements in business. Non-business courses taken abroad may be applied to Non-business Supporting Course Requirements.

² Students who place into French, German, or Spanish 002 or 003 on the basis of previous language study in high school may substitute credits of international studies coursework or other non-business supporting courses in consultation with an advisor.
